BUGGY

The 1971 Spring Carnival Committee has made quite an effort to make this the greatest Carnival Weekend ever. Recognizing the changing style of campus life, we felt that some of the older traditional events were no longer relevant, and we dropped them from this year's program, bringing in their place some new and innovative activities. Here, then, is the new look of Spring Carnival.

Midway With the theme "Facets of the Fifties," midway booths this year range from fantasyland structures to mimicry of the old teen fads and music. Of course the amusement rides will be back for kiddies young and old. We've added a special feature here, the Carnival Weekend opening will be highlighted by a performance of "Your Father's Mustache" on the midway grounds.

Sweepstakes Bigger and better than ever, this year's entries total 28 "buggies", with four non-greek groups in the competition, and two buggies entered by most fraternities. Several new buggies are entering the scene to challenge the established designs, and competition in general should be stiffer than ever.

Carnival Concert This year's feature event will star Grammy winning, guitar picking B.B. King in a Saturday Night Concert in the Carnegie Music Hall. Carnival Awards will be presented in the Music Hall right after the concert.

Fun and Games Friday afternoon of the weekend is packed full of game activities for both participants and spectators. An MDC sponsored picnic will be held on the IM field with Volleyball, dodge ball, three legged races, etc., and free refreshments. The first annual CMU Frisbee Tournament takes place on the cut, followed by the traditional faculty Egg Toss and Sorority Relays. A kite flying contest will be held on the IM field, and a paper airplane contest goes on Saturday afternoon in the gym.

Coffeehouse The activities board has worked up a knee-slapping, hand clapping, foot stomping Hootenanny on Friday night in the Staff Cafeteria that should be a real blast.

Other Entertainment Scotch and Soda performances of "Festival" will continue through the weekend. It's being presented in the Skibo Ballroom 8:30 each night. Movie fans will delight to showings of "The Misfits" by Film Arts, "Look Back in Anger" by the Activities Board, "Butch Cassidy and the Sundance Kid" and "Barefoot in the Park" by MDC.

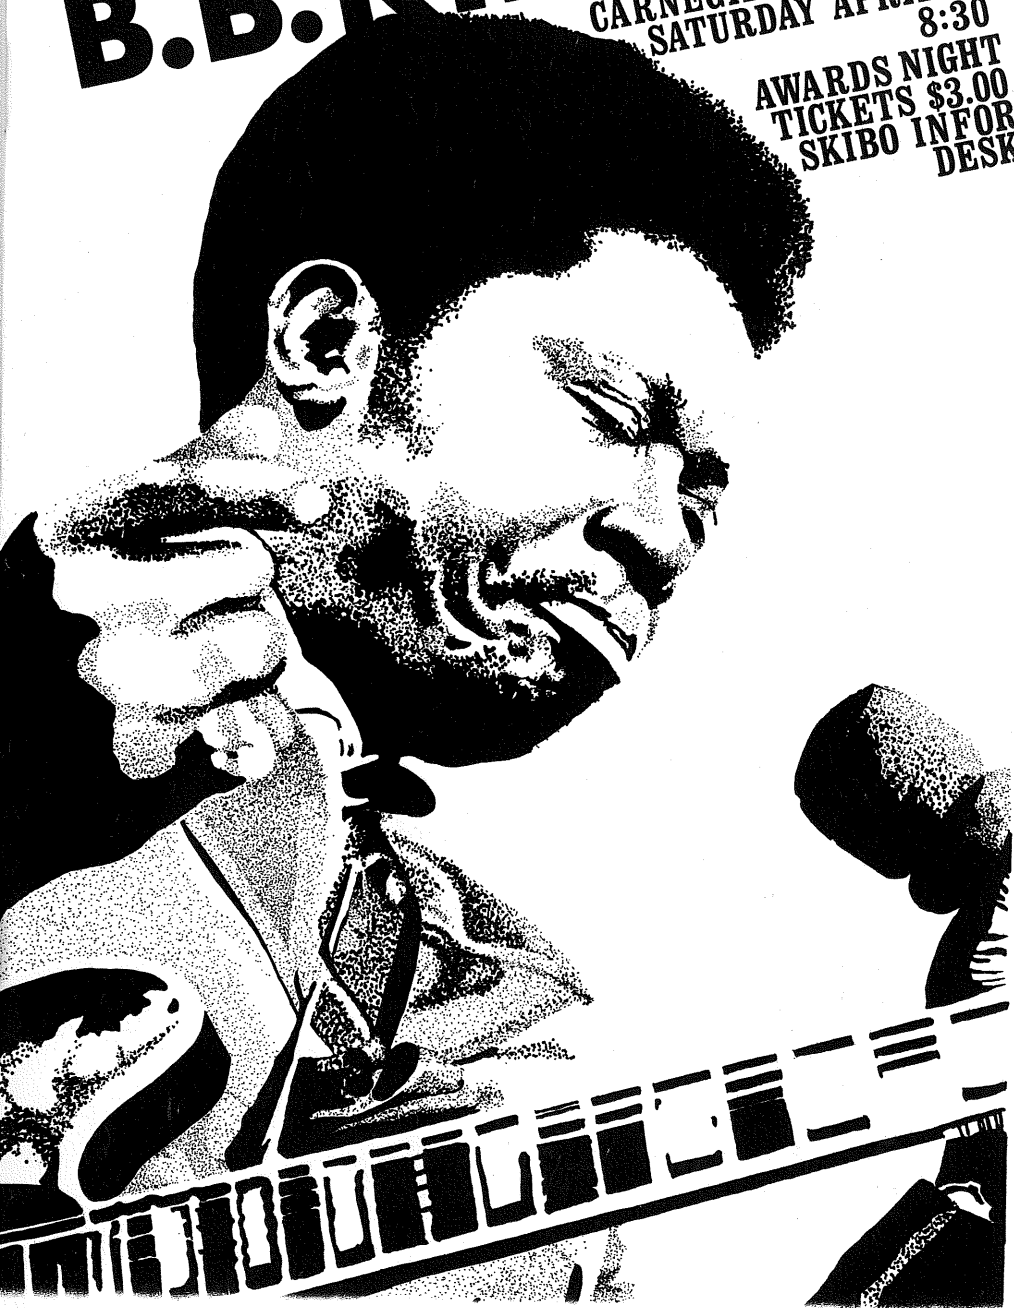

We think we've outlined quite a weekend for you, and hope that you all have a wonderful time.
